DEMO / DUMMY - not the final legal text

Version date: DEMO - 28 September 2026

Version: demo-maia-2026-09-28

Purpose of this demonstration

This document is a placeholder version for testing and demonstrating HebaMama's features. It shows how the document, its version and acceptance are linked. Its content serves as a sample for the subsequent terms of use.

What the test can demonstrate

- Open the document and its version from the registration form.
- Use the separate acceptance checkbox, which is not preselected.
- View the version after login and decide later or expressly accept it.
- View the saved acceptance and the same PDF in the dashboard.

Test acceptance

Acceptance in this test flow is saved with the role, version, declaration language and time. It refers to this labelled dummy version. Please use only your own test accounts.
